**ORDER**

Having reviewed the Venezuela Parties’ Motion to Extend the Topping Period (D.I. 1757), and having considered the additional briefs received in connection with the Motion (D.I. 1759-65, 1767-68, 1770, 1773-74, 1777), and it appearing that recent events have caused new groups of bidders to become interested in participating in the Marketing Process, and that the Special Master now believes a 21 day extension of the Topping Period “may lead to a more robust bidding process through the submission of new and improved topping bids” (D.I. 1770 at 2), and that a brief extension may support the ultimate goal of achieving maximum value for the PDVH Shares,
